

WE ARE DELIGHTED TO WELCOME YOU BACK TO MERKINS FARM

WE HAVE MADE CHANGES TO THE PREMISES AND TO THE WAY WE WORK TO KEEP YOU
AND OUR STAFF SAFE AND WELL AT THIS TIME

LETS ALL HELP EACH OTHER TO ADAPT TO THIS NEW WAY OF LIFE

What have we been doing during lockdown ? Well, we have decorated the Café, given Bertha the Caravan room a new look, and provided you all with plenty more seating, under cover, but outside in the fresh air. We now have a safer entrance from the Car Park, and a disabled car parking bay.

To keep you and our Crew members safe, we have installed a Perspex screen at the counter, we have social distance markers on the floor, and we will be operating a one way system, with entrance and exit doors at the front of the Café. Hand sanitiser can be found just inside the front door. Tables have been removed, to provide plenty of distance between yourself and the next person. To begin with, service may be slower than usual, we just want to get things right.

The removal of some tables has given us extra space, so we have increased the size of our giftshop, providing you with even more homeware, giftware and greetings cards to choose from !

The Campsite, and The Holiday Cottage will remain closed at this time.

For further information, you can always check out our new Website, www.merkinsfarm.com

Thank you for coming back to Merkins, it's so good to see you. Lets all help to keep each other safe and well at this time.
